FROM: Paul Ziegler
Department of Revenue

SUBJECT: Technical Memorandum on 2013 AB 207 Relating to Late Payment of Property Taxes Because of a Medical Emergency

The Department of Revenue has the following concerns with the bill:

(1) The bill could lead to problems in the settlement process. For those municipalities that are on the standard two installment system, the tax roll is turned over the county in February. The bill would permit the municipal board to decide to grant an exemption on interest and penalties after the roll is taken over by the county.

(2) As we read the bill, the exemption can, in effect, be claimed only once in a lifetime. Is our interpretation correct?

We suggest the changes be effective for payments in 2014, to permit the Department to notify municipalities and counties of the change in the law and to permit them to adjust their collection procedures appropriately.

If you have any questions regarding this technical memorandum, please contact Daniel Huegel at 266-5705.
